50 YEARS OF EXPERIENCE MEETS A FRESH SCENT

K-GARD ORIGINAL

Original K-Gard Waterless Industrial Hand Cleaner provides a combination of properties that has remained unique for over 50 years. Our patented formula will tackle the toughest jobs while working to heal and moisturize the skin.

K-GARD FRESH

K-Gard Fresh is everything you love about our Original formula with a lighter scent. It is extremely concentrated and made from only the highest quality ingredients to thoroughly clean your hands while conditioning your skin with soothing lanolin.

"K-Gard cleans and protects our race team! We use it on everything from the toughest oil and grease problems to cleaning our precision engine parts before assembly. I really enjoy that this true waterless hand cleaner can deep clean and provide a level of protection from dry cracking "mechanic" hands."

K-GARD® waterless hand cleaner

We take care of hardworking hands.

PROVEN PERFORMANCE

American-made K-Gard Waterless Industrial Hand Cleaner has been exceeding customer expectations for 50 years. Invented in 1965, the patented formula is the work of a team of chemists that set out to create a high-quality product unlike anything else available. The combination of properties found in K-Gard remains unique to this day. Because only a small amount is required to thoroughly clean the hands, K-GARD provides more value for your money when compared to ordinary industrial hand cleaners. Join the group of people who have trusted their hands to K-GARD Waterless Industrial Hand Cleaner for a half-century!

WATERLESS - K-Gard is used without water, ideal for people working outdoors.

RESILIENT - Remains effective in sub-zero temperatures, perfect for storage in vehicles.

REMOVES - Oil, Grease, Paint, Tar, Tree Sap, Ink, Adhesives, Graphite, Shellac, Asphalt and More!

MOISTURIZES - The unique formula contains lanolin to moisturize and heal dry, cracked skin.

HIGHLY CONCENTRATED - Just a small amount works so efficiently it provides you more value for your money.

HOW TO USE

1. **Dispense** small amount (penny sized) onto DRY HANDS (use no water).
2. **Rub in.** K-Gard loosens grime instantly.
3. **Wipe Clean!** Rinse if you prefer

After cleaning, a very small amount can be used as lotion for extra protection.

"K-Gard is the only hand cleaner we use! We must have clean hands while printing shirts and K-Gard works fast, takes ink completely off, and doesn't dry out our employees skin!"

– Elite Screen Printing

"I have been a mechanic for over 15 years, and this is BY FAR the best hand cleaner I have ever used! There is no job too big for this stuff."
